

**BIOSTL**  
DRIVING ST. LOUIS INNOVATION

**BioSTL** is committed to delivering our mission of **economic growth** in a way that drives **equity** and reduces economic disparities.

### **STEMSTL**

Working to build clear, rigorous, and equitable STEM learning pathways.

### **The St. Louis Equity in Entrepreneurship Collective**

Ensuring regional systems built to support new entrepreneurs operate equitably, especially related to race and gender.

### **Entrepreneurship Inclusion Initiative**

Training women, foreign born, Black and Latinx aspiring entrepreneurs with the skills, resources, and access to networks to be successful company founders.
