Summit: Four Main Objectives

1. Showcase curated innovation aligned with RHTP priorities

2. Accelerate and inform your State's Year 2-3 RHTP outcomes

3. Share knowledge: what is working/what is not

   - Curated national case studies for state RHTP to leverage & CMS updates
   - How are different states implementing RHTP: Program updates by State RHTP leaders

4. Answer two big questions every state is asking

   - How to leverage RHTP funding to shore up rural healthcare before cuts arrive
   - How to build path to sustainability before RHTP funding runs out
